

Pronunciation Booster Course

Date: January 7th 2023

Venue: Buenos Aires English House

Location: online

Website:

<https://baenglishhouse.com/pronunciation-booster-course-3/>

Material:

Phonics is an approach that seems ideal to teach children spelling, but the material is designed for native speakers of English. How can *phonics* be effective for the non-native learner? This learner needs to acquire English sounds and s/he can do it by building a phonological core and activating prior knowledge.

Discover a new world of ***EFL Phonics*** for the foreign learner!!
